### Restrictions

- Office365 ProPlus for PC/Mac can be installed on up to 5 devices
- The Office Mobile App can be installed on iPhone or Android Phone
- Any student whose primary affiliation is "student" and currently enrolled is eligible (students who are enrolled for the spring semester and the following fall semester will NOT lose access over the summer)
- While you do not have to be online to use the software, it will periodically (about once every 30 days) "check in" with the Microsoft Office365 portal to verify that you still have a valid license.
- Once you leave the University, your Microsoft Office365 ProPlus subscription will end.
  You may enroll in other available consumer offers from Microsoft (http://office.microsoft.com/en-us/).
